

Celebrating 175 years

THE PARISH LIFE

The monthly newsletter of Saint Luke's Episcopal Church, Jackson Tennessee

FROM YOUR RECTOR... by the Reverend Sean Ferrell

Believe it or not it is stewardship season again already. A great deal of time and energy has been put into planning a stewardship campaign that I think you will appreciate, and will help us become even greater stewards of the good gifts that God gives to us. This year's campaign is entitled "The 100% club."

First, we've made it our goal to have 90% of St. Luke's potential pledging units make a pledge. "Pledging unit" is a term that refers to a family, a single person, or other individual that gives to Saint and makes a pledge to give. What is a pledge you ask? A pledge is a commitment to give a certain amount of money each year to help St. Luke's grow in ministry and mission. Our open-door welcome and hospitality at St. Luke's says, "You are welcome here." Your annual pledge helps us extend that welcome. And that pledge tells us, "I'm part of this community, and I want to show that this church is important to me."

Currently 45% of St. Luke's potential pledging units (families, singles, or individuals) make a pledge. An additional 22% of potential pledging units give, but don't tell us how much they are going to give. The final 33% of the congregation (a third) are not giving right now. No matter which category you fit in, our hope is to have 90% of our overall parish family give and tell us you are going to do so by filling out a pledge card.

The second focus of our campaign is the 10 percent. (90% + 10% = 100%... you get it.) This part of the campaign is directed to all who presently give to Saint Luke's. We're asking that every giver increase their giving by 10%. If you are currently giving \$3000 per year to St. Luke's, that's \$250 per month. Increasing your pledge by 10% makes it \$3300 per year, or \$275 - a mere \$25 per month increase. And we ask that you tell us you are going to do so by filling out a pledge card. Why are we asking this for this increase? Many givers continue to give what they've always given. However, our present situation is what it's always been. Over the last 3-4 years our budget became somewhat anemic in the wake of the difficulties that this parish has faced. It isn't difficult to see that the general cost of living has gone up in almost every area of life. This is true for your church as well.

And so as a part of this year's campaign, we have created a stewardship budget that projects our costs for next year and focuses our energy for mission and ministry. We have set ministry goals, around which our budget has been created and stewardship campaign designed. Our hope is to identify where we need to be and go there. Our design is to be proactive rather than reactive in our budgeting. This is a forward looking, faith-filled budget, and a definite step in the right direction. I pray that we each will step up to the plate with our giving in support of this ministry and mission.

FROM YOUR RECTOR...

continued from Page 1

The wonderful news is that I believe we have turned a serious corner in these past few months. Our non-pledging contributions are considerably more healthy this year than they have been the last two or three. I attribute this to the addition of new families, to the return of some others, and a generalized feeling of enthusiasm experienced across the board.

After ten short months with you, I can say without a doubt that we are a congregation experiencing resurrection. Our health and vitality is strong. Our anxiety level is extremely low. Our energy level for the work before us is high. I see this on Sunday mornings, Wednesday evenings, and throughout the week. I hear it more and more from visitors. We are moving faithfully forward together in the Risen Lord Jesus Christ, experiencing Resurrection. It is this energetic, non-anxious vitality that is helping us walk forward together toward the re-vitalization of this parish, and is making us an attractive place to those who are "Episcopalians who just don't know it yet," or those who just haven't yet joined us.

Our Stewardship season will kick off with the Parish Picnic at Conger Park (formerly Highland Park). At this time you will receive a pledge card and an overview of the 100% Club. We will begin receiving weekly ingatherings of pledge cards September 23. These weekly pledge card ingatherings will continue until a final ingathering on October 28. Per ancient Saint Luke's tradition, we will have an alms basin on the altar in which you will be able to place your pledge card before each Sunday service. And we will let you know our progress toward our stewardship goals each week.

We are being very specific this year in this stewardship campaign, asking you search your soul. It is a profound statement that we make each week at Saint Luke's altar. "All things come of Thee, O Lord, and of thine own have we given Thee." I believe that you can take this sort of direct appeal because you are grown-ups, or because you are growing up. I pray that you and your family will prayerfully make a decision to make a pledge this year.

Many Blessings to you and yours,

THE 100% CLUB

by Jimmy Harrison

At our Annual Picnic (September 9th) we will unfold our 2008 Stewardship Campaign in detail.

The short version is this - we are asking every member of the parish to begin to pledge. *(Over half of our family do not pledge and a third do not give.) We are also asking all who already give to increase their giving by 10% and tell us you are doing so by filling out a pledge card.

As you consider what our Lord and St. Luke's have done for you, please pray about what you can do to return the blessings.

* Our goal is to have 90% of our parishioners pledging.

SPECIAL THANKS TO...

...Norma Greer, Evelyn Kipp, Carol Thompson, Debbie Torstrick, George Plumb, Angela Williams, Bruce Hamilton, Jane Wolfe, Sue Long, Liz Garrard, Dolores Moore & Peggy Bogard for helping in the office.

...George Plumb for assembling and mailing the August issue of *The Parish Life*.

...Tom DeWitt, Chris Wheeler, Jeff Beard, Jim Spruill, Steve Daniels, Tommy Rhoads, Greg Kost, and Ron Canter for maintaining the lawn.

RALLY DAY—SEPTEMBER 9TH

by *Mary Beth Seltzer*

Rally Day is Sunday, September 9th. This year's celebration is a triple whammy! Our fall Christian Education classes begin at 9:15 a.m. Sign up the whole family for the adventure of learning and sharing. Parents, you can register your children and then go right on to the Upper Room class for adults. All our Christian Education classes are on the second floor.

The next part of our celebration is the Annual Parish Picnic following the 10:30 a.m. service at Conger Park (formerly Highland Park). Please bring a side dish or dessert and the church will provide the meat and beverages. Part of our tradition is to dress casually for church so we're ready to enjoy the park.

The third whammy is that exciting plans for our 2008 Stewardship Campaign will be revealed at our picnic. So, prepare your side dish or dessert, bring your lawn chairs, and join us for a day of worship and fellowship together as St. Luke's family. See you September 9th!

GOOD STEWARDS OF GOD'S CREATION

by *Tommy Rhoads*

Over the past three months members and friends of Saint Luke's have collected and returned over 13,000 pounds of paper at Southeast Recycled Fiber! This is a phenomenal amount of paper.

Recently, we have been collecting paper in Gerry Holt's van on the last Sunday of the month and driving it over to Southeast's facility for you. The last Sunday in August the van was full to the gills, and the paper weighed over 1,300 pounds. So we've recycled about 10 of Gerry's vans full of paper.

Just imagine how much space 10 of Gerry's vans would take up at the Madison County landfill. That's how much paper we have saved! Good work; let's keep it up.

Gerry has agreed to loan his van every last Sunday of the month, so if you would rather bring your paper to church instead of taking it to Southeast yourself, bring it on the last Sunday of each month. We'll park the van in the alley on the north side of the church until noon. You can bring any kind of paper, cardboard, magazines, newspapers, or boxes. The items don't even need to be sorted. Thank you for being good stewards of God's creation!

SAFEGUARDING GOD'S CHILDREN

by *Trudy Lovell*

"Safeguarding God's Children," sexual misconduct prevention training, is mandatory for all employees of diocesan churches, schools and other programs, as well as volunteers who work with children and youth. This training must be repeated every 5 years. The diocesan staff has scheduled a training session at St. Luke's on Thurs., Oct. 4th, 6-8:30 p.m. If you work with the children and/or youth and haven't had this training, or if you had it more than 5 years ago, please mark your calendars for this required training session. Light refreshments will be served and participants may bring a bag meal if desired.

There are other sessions scheduled in Memphis if you are unable to attend. Please call the parish office at 424-0556 for a schedule of other training dates.

OFFICE VOLUNTEERS NEEDED

We are in need of more office volunteers, especially during the summer months as staff and volunteers are vacationing and as special events and tasks arise that require more hands or more time to complete. Volunteers are needed mostly in the mornings from 9:00a.m. - Noon. Exceptions are during staff vacation or illness, major holidays and during year-end financial closings, when volunteers are asked to work longer hours or take 1/2 day shifts. The duties for volunteers revolve around answering the phones and the door, sending out notices in the mail, stuffing inserts into bulletins, making phone calls to parishioners and if you have computer skills, sometimes typing various projects. Many days are quiet and require only answering the phone and door, others are hectic and will keep you busy all morning. If you would like to volunteer, either on a regular basis or on an as needed basis, please contact our volunteer coordinator, Norma Greer at 664-5220.

FROM THE PARISH OFFICE

If you are not receiving "Church News," the diocesan newspaper, and would like to be added to their mailing list, please contact the Parish Office at 424-0556.

The deadline for the September "Parish Life" is September 20th. Articles should be turned in no later than that date.

BAPTISM DATES AHEAD...

The Book of Common Prayer recommends five dates for Baptisms... The Great Vigil of Easter, Pentecost Sunday, All Saints' Day, The Baptism of Jesus, and when the Bishop visits. Other dates may be scheduled, but these dates bear special significance to Baptism on our calendar. The next service that will include Holy Baptisms will be Sunday November 4th. Please contact the Parish Office if you have someone to be Baptized.

ECW NEWS...

THE WEDNESDAY SERVICE?

by The Reverend Sean Ferrell

Each of our three celebrations of Holy Eucharist each week has its own character. This is especially true of both of our Sunday morning services. The 8 a.m. service is a quiet, spoken Rite I service with a solid group of about 30 persons who gather each Sunday. The 10:30 a.m. is a choral Rite II with a broader smattering of people. Both groups have a significant number of visitors. The service I've come to see as least well defined is our Wednesday Service. I felt it was time to revisit this service and a small group of us gathered in early August to discuss it. Input was given from all across the spectrum about what we might do. Here's what we've come up with.

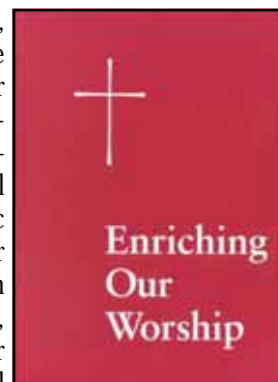

First, it was suggested that we try a new time of 5:30 p.m. instead of 5:15. There are some who have suggested that its difficult to get from their offices to the church by 5:15, the service time having been set a generation ago when more folks worked downtown. So we've decided to move the service time to 5:30 on a trial basis beginning September 5. You'll recall that our signs on the outside of the building say 5:15. This moving the service time is on a trial basis to ascertain if we will gain greater attendance. If we do see greater attendance we will take spend the time and money to change our signage. We will review our findings in December. If not, we will return the service to 5:15.

Next, we will work to make this a 30-35 minute service. There was an explicit request from the group that this service be brief. As a result, we will use a short form of the prayers, I'll occasionally use the biographies from Lesser Feasts and Fasts in place of a sermon, and we won't always exercise all of the options to keep the service at an appropriate length.

In addition to the Rite II Eucharistic Prayers (A, B, C, and D), Bishop consenting, we will begin to use the three Eucharistic Prayers from "Enriching Our Worship" (EOW). These are the supplemental liturgical materials commissioned by the General Convention, which have been in trial use in the Episcopal Church for the last 17 years or so. These Eucharistic prayers that compliment the 1979 Prayer Book's four Rite II Eucharistic Prayers. Some distant day when the Book of Common Prayer is revised once again, (there seems to be no desire to do that in the near term by the way), these three Eucharistic Prayers will be proposed additions to Rite II, making seven options in Rite II rather than the current four. My hope is that Wednesday will offer a window in the direction the church is headed liturgically.

Finally, because this service is an intimate gathering, we'll gather around the table during the Eucharistic Prayer. Many of those convened for the discussion of the service pointed to gathering around the table celebrating the Eucharist together as a meaningful and important piece of their experience.

Please understand that I'm under no illusions that this service will be something that will resonate with the liturgical and spiritual proclivities of everyone at Saint Luke's. For some, this will be an exciting opportunity. Others I am sure, are thinking to yourself, "Well why in the world are they doing that?" My best response is to say come and see. If it works for you, great! If not, that's okay too. We're also entertaining adding an additional service of sung Evening Prayer (not choral Evensong) and Compline on a different evening of the week during the holy seasons for the sake of bolstering our options. We will certainly let you know.

SAINT LUKE'S SUNDAY CONCERTS

by Larry Greer

The next concert will feature *'Southern Harmony* (the ' is intentional). This group is a quartet of friends who met in the early 80's in the Concert Choir of Birmingham Southern. In 1994, Thomas Waters, a State Farm agent in Birmingham gathered three friends to form the group. He is the group's bass. On lead is Kyle Bass, an analyst and programmer for Blue Cross. Baritone is Daniel Potts, a neurologist in Tuscaloosa. Last, but certainly not least, is our own Tom Head, also a neurologist who practices here in Jackson, who sings tenor with the group. The group has developed an eclectic repertoire of a capella music including classical, gospel and barbershop. Plan now to attend another outstanding event at St. Luke's on October 7. This concert will be in the nave, and a reception will follow.

MUSIC NOTES

by Larry Greer

Tom Head has volunteered to assist in directing the choir during my illness and limited ability, making it possible for me to continue playing for Sunday services. This is truly a Godsend. Tom brings years of experience. He directed choirs during his college and early medical school years. It goes without saying "two Heads are better than one". We have been blessed with Karlie and Carol Ann in the choir. To have a third Head is simply phenomenal. Please welcome and thank Tom.

Our weekly "help wanted" ads are apparently falling on deaf ears. This is a great time to join the choir. Auditions are not necessary. Music reading skills are not necessary but helpful. The choir is a great community. We work hard but have fun, and when we play, we play hard. Rehearsals are on Wednesdays from 7 to 8:30 p.m. and on Sundays at 10:00 a.m. We have a terrifically committed group of singers, but we need a few more voices so that when there are absences, it does not create a great void. You are welcome to a trial period. If you'd like to simply sit in on a rehearsal to check it out, simply join us some Wednesday at 7 to see what we do. For more information, contact Larry Greer at 668-5058 or larrygreer@aeneas.net. If you know of someone who might be interested, please let me know, and we will begin the pursuit.

INAUGURAL CONCERT A SUCCESS

by Larry Greer

The kickoff for the Saint Luke's Sunday Concert series was welcomed by about 150 people who braved the afternoon heat to hear a masterful joint concert by Catherine Greer, soprano, and Brendan White, piano, on Sunday, August 12. The varied program included piano works by Haydn, Beethoven, and Chopin and vocal selections from Broadway musicals and favorite opera arias. A festive mood was evident during intermission, and the grand event ended with a reception in the Commons. Thanks go to Brendan and Catherine for giving their time and talent and to Lynn White, Johnathan Kendrick, and Sue Long for their significant contributions to this event.
